

PATIENT FEEDBACK

Below are comments about the care patients have received from this surgery.

Professional and friendly

Pleasant greeting and seen promptly

Quick appointment, friendly staff, satisfied with GP

Excellent treatment, always get same day appointment

Dr Chapman is a superb doctor

Good bedside manner, professional and always ready to listen

Compared to the surgery I have transferred from , it was a dream transition, from booking an appointment to actually having the appointment

Can usually get an appointment when I need one, all the doctors are very pleasant

Friendly helpful caring doctors who listen to your problems and diagnose and explain what they are doing

Great service, could not be better

Fantastic service, could not be better

I had a problem, saw my GP and was sorted out on the same day

Always on time and very pleasant doctors

Good service and understanding

Very helpful
