

## FRIENDS AND FAMILY SURVEY RESULTS FEBRUARY 2019

The Friends & Family test is for patients to tell the Surgery if they would recommend us to their Friends & Family.

In February we received 49 replies, of which 1 was completed in the surgery .

The results are were:

<b>32</b>	Extremely likely
<b>13</b>	Likely
<b>3</b>	Neither Likely or Unlikely
<b>1</b>	Unlikely

We would like to thank our patients for continuing to complete our friends and family test.

Copies of the questionnaire can be obtained from reception or on our web site ([thewestwoodroadpractice.co.uk](http://thewestwoodroadpractice.co.uk))
